**MUSICAL THEATRE REPERTOIRE DEFINITIONS from FEDERATION OF CANADIAN MUSIC FESTIVALS (FCMF):**

- Musical – a group of pieces connected by a story line and characters
- Staged musical – written with the intent to be performed on stage, with set, costumes etc.
- Non-staged musical – written for movies only
- Revue – a group of pieces in musical theatre style without the connecting story line, although there may be a common theme
- Character piece – a piece in musical theatre style that is not part of a show and is sometimes known as a 'stand-alone piece'.
- Operetta – falls somewhere between an opera and a musical. Like a musical, it most often contains spoken dialogue as well as song; it tends to be shorter and less complex than traditional operas.
- Ballad - used to describe music with a slower tempo, often of a serious or introspective nature, e.g. – "On My Own" [from Les Misérables].
- Up-Tempo - used to describe music with a lively tempo, often comedy, e.g. – "One Hundred Easy Ways" [from Wonderful Town].
