## **DIRECTIONS**

### **• VIDEO RECORDING**

Professional recordings are not required for the Virtual NSKMF but good audio and visual quality is very important. The quality on most cell phones is more than adequate. Video recording can be done in home as would be appropriate during this time.

To ensure proper identification, students should hold up a piece of paper giving the following information at beginning of recording:

***Discipline - Class Number and Description - Competitor Name - Selection and Composer***

Example:

**Piano - Class 3049A - Piano Solo - Baroque - Grade 3**  
**John Smith**  
**Musette in D Major - J. S. Bach**

Please note:

- the video must be a clear picture of the student playing showing face or facial profile, feet and hands in the case of pianist/organist, hands in the case of instrumentalist, and instrument;
- it should be a first-take, one-take recording;
- any editing or splicing in any form is strictly prohibited;
- camera angle must remain consistent throughout the performance;
- for classes requiring more than one piece e.g. concert groups: all pieces should be performed consecutively on one video. Please be aware of time limits, if applicable.

- **VIDEO FILING**

- video file is named with this naming convention for ease in filing submissions: **Discipline - Class Number and Description - Competitor Name - Selection - Composer**;
- video file is uploaded to a personal YouTube channel as an “unlisted” video. These “unlisted” videos can only be viewed by someone with the link;
- the video link information will be needed as part of the submission form;
- if playing in more than one class, submit each class separately.

- **PDF PRINTED MUSIC COPY**

- a PDF file of the selection performed is named with the same naming convention: **Discipline - Class Number and Description - Competitor Name - Selection - Composer** and uploaded to a cloud format [DropBox, Google Drive, iCloud, etc];
- this PDF **must** include title page of the book and all pages of music performed in the competition;
- if measures are not already numbered, please number every 10<sup>th</sup> measure for adjudicator’s easy reference;
  - If the selection score is a digital download, the receipt must be included in the PDF file;
- the PDF link information will be needed as part of the submission form;
- if playing in more than one class, submit each class separately.
